Congrats!

You've been accepted to the 2016 season of the Varsity Vocals International Championship of Collegiate A Cappella!

This season we had a record number of applicants (350+) representing over 200 different schools and 5000+ singers from around the nation! Watching everyone's submission video was an incredibly rewarding, albeit difficult process in narrowing down the list to what it is today.

Our complete lineup can be found on our website here:

<https://varsityvocals.com/2016-icca-lineup/>

Quarterfinal assignments will be posted on our site over the next week as shows are being finalized. While we work very hard to accommodate your schedules and conflicts, please understand that we must take the entire region's best interests into consideration and we cannot meet every group's needs when trying to avoid scheduling conflicts.

Please also take note of the Semifinal date in your region. Competitors with Semifinal conflicts may be ineligible to compete, so I urge you to check your schedules now to avoid problems later.

Your regional ICCA producer will contact you via e-mail in the coming weeks with specific information regarding your Quarterfinal event. This will include information such as how to purchase tickets, the schedule for the day, sound/stage setup and any other event specific information you may need.

Should you have any further questions or concerns, please do not hesitate to contact us. In the meantime, go celebrate and please share my heartfelt congratulations with your group! It's going to be a fantastic season, welcome to the ICCA!
