WAYSIDE  
CORNWELLS HEIGHTS P. O.  
PENNSYLVANIA

Dear Mrs Paul:

This letter from Mrs Taylor is  
rather an upset to our desires & helps  
the worthy. Miss Fisher has been taken  
in, widmthy. In I do not think she  
would ask us to help any one whom  
she knew to be a "professional beggar".

What shall we do? I am divided between  
two courses. Give the ~~25~~. I Miss's book

as a "Special" & notify Miss Fisher that  
we have found she is not the type we  
want to help <sup>regularly</sup>. n. give her nothing, &  
tell Miss Fisher the reason.

When I hear your decision, I will  
act accordingly.

Very sincerely yours  
Judy L. Mearns
