Dear Grandma,

I was very much obliged for the book
thou sent me on my birth-
day. I like it so much,
and I find I can read
it my-self. I got an express
wgon from mama and
Agnes and Ellie gave
me Go Bang, and you
can play 4 other
games with it. Aunt
Lizzie gave me a knife and
cousin Anna gave me the
ship puzzle.

I am tired of
writing now so good-
by. Thy loving grand-
son
of
Frank.
