With six of its seven members present Swarthmore Borough Council sat Monday evening in the local Bank to iron out some of the most momentous problems ever to confront a local governing body.

Passing an ordinance to place two bond issue questions before borough citizens in the May 16 primary election, Council temporarily rejected bids received for paving Bowdoin, Union and Kenyon avenues thus shelving this project until the exact cost of emergency measures connected with reestablishing its burned-out borough hall could be determined.

One of the two referendum questions will ask Swarthmore voters to empower Council to increase the borough debt by an amount not exceeding \$225,000 for the purpose of repairing, enlarging or replacing borough hall. The other question regards a bond issue for \$55,000 which would provide the bulk of the borough's \$75,000 share in the erection of the new Central Delaware County sewage disposal plant. The recent increase from \$2 to \$10 in sewer rent was estimated to raise approximately \$15,000 toward this new expense.

As an extra precautionary measure, and in order to cover the increased expense of borough operation since March 15th's fire, Council increased the tax rate for general borough purposes from the 11½ mill level of 1949 which had been reset nine days before the fire, to 13 mills. With the 1¼

APRIL SHOW
OPENS MONDAYCast Of Ten Perform
"Shop At Sly
Corner"

D. Malcolm Hodge directs and takes a leading part in the Swarthmore Players Club's April production "The Shop at Sly Corner" opening Monday evening, April 10.

Delightfully free of such physical measures as sudden noises, female screeches and other tortures frequently used by desperate authors to bring audiences to the edges of their chairs, this Edward Percy melodrama nevertheless holds attention from the opening scene to the closing curtain, and creates a psychological tension that is a credit to playwright and a challenge to the cast.

Fulfilling this challenge with Mr. Hodge is an able cast including Robert W. Graham, Jane F. Keating, E. Jane McAfee, Elizabeth H. Swan, Helen Clark Reed, Charles F. Seymour, Thomas McFadden, Frank Strockbine, Jr., and J. William Simmons.

The Play will run through Saturday, April 15, with curtain time at 8:20 p.m. precisely.

Temporary Quarters

Dr. J. Alfred Calhoun, president of the Public Library Board, announces that the former Bell Telephone Building on Harvard avenue has been leased temporarily for the library quarters. Necessary alterations will start shortly and it is expected that the library will soon be functioning again.

Readers are asked to hold all books until the opening date, which will be announced in The Swarthmorean. No fines will be charged.

The Youth Conservation Committee of the Club with Mrs. George B. Thom as chairman will hold a dessert bridge for International House Thursday April 20 at 1 o'clock at the home of Mrs. B. K. Morse, 742 Harvard avenue.

International House suffered a great loss recently in the death of its executive secretary Elmer T. Thompson, who gave so much of himself in the good neighbor policy of International House towards the foreign students in the Philadelphia metropolitan area.

To Make Shades

Clubmembers who wish to make lamp shades with the class which will meet on Monday April 17 in the Lounge are asked to contact Mrs. Robert Allison Swarthmore 6-0515, by next Wednesday, April 12, in order to have their materials in hand in time for the class. The combined Antiques and American Home Departments are sponsoring the class which is given in answer to many requests from members.

BAND TO APPEAR
IN 12TH CONCERT

The twelfth annual concert of the Swarthmore High School Band will be held on Friday evening April 14 at 8 o'clock. The concert this year will be held in Clothier Memorial on the college campus in order to accommodate the anticipated attendance. Due to the physical limitations of the High school auditorium, it has become increasingly difficult each year to comfortably seat all listeners.

The program will be the most varied in the history of the high school group including several spirited marches, the Light Cavalry Overture of Von Suppe and selections from the current success, South Pacific. Harold Ogram Jr. will appear as Saxophone soloist and vocal chores will be handled by Mary Lecron with the assistance of the Garneteers company.

EASTER BUNNY
COMES SATURDAYTomorrow's Hunt
Will Start
10 A.M.

One of Spring's most talented artists, the Easter Bunny, arrives tomorrow for his annual Egg Hunt in Swarthmore. With pounds and pounds of colorful, personally tinted jelly beans, beautifully wrapped this year by the Mothers Club, the E. B. will skip into town tomorrow to scatter them broadside over a chosen field.

All Swarthmore children and small visitors 12 years old and under (maybe 13 is an unlucky number) are invited to come and hunt, the Easter Bunny explained to members of the Business Association, who assist him in his work.

"I've also got 150 beautiful chocolate covered coconut cream eggs," said he, with pardonable pride (after all, he laid them), for those bright-eyed enough to find the little bags with lucky slips in them."

All boys and girls eligible for the hunt and interested in joining in the fun, are invited to come to the Borough Hall plaza at 9:45 tomorrow morning (April 8). Announcement of the Hunting Ground will be made there, and the search will begin at 10 a.m.

Before he left Thursday, the Easter Bunny dropped off a few rules of the game at The Swarthmorean. "Just so everything'll be perfectly clear," he said.

1. Any child under 13 in Swarthmore territory or visiting in Swarthmore is welcome to hunt and is eligible for a prize.

2. Very small children must be accompanied by an adult.

3. Any child finding more than one slip can throw it back into the field, or give it to a friend.

The following two letters, which were received by the Swarthmorean for publication, are copies of letters read in Council Meeting Monday, April 3.

Town Council March 30, 1950
Gentlemen:

AN INTERIM PLAN

May I invite your attention to my reaction to the opinions expressed, and ground swell implied, last evening at the Town Meeting (may we have more of them). It appeared to me that there was considerable sentiment for a carefully thought out plan for the future of Swarthmore, although it was also realized that the present emergency requires prompt attention to rebuilding the necessary facilities for carrying on efficient town management. It is my personal opinion that the present emergency resolves the question into two parts, first, re-establishing adequate and acceptable housing for the town operational functions and second, providing similar library facilities.

Central location of the Fire Department is a must because of the volunteer nature of its able membership, and no better location could be provided than that of the Town Hall. The Fire Department should, therefore, be permanently located at this site. This can be done most economically by reconstruction of the Town Hall with perhaps a flat roof or some other architectural feature to improve its appearance insofar as it is practical, the building retaining facilities for the Fire and Police Departments with rooms provided for Borough Council, American Legion and the Health Departments. This possibly could be done, and it seems to me preferably should be done, without the purchase of the adjoining lot, thereby saving the town the sum of \$237,000. Meanwhile the library would be housed in the Bell Telephone Building until such time as a permanent building can be provided.

plan involving a mere rental of the Bell Telephone Building. Careful thought, it seems to me should be given to the location of the new library with the expectation that it could be located on one of the lots now owned by the Borough. If this were done the \$37,000, which would be expended on the Kistler lot and/or the \$10,000 for purchase of the Bell Telephone Building, would take care of a large, if not major portion of the expense in building a town library. By proceeding in this manner the taxpayers would have a better return on their money than would result from execution of proposed plan A and a much smaller tax burden than would result from plans B or C, for there would be no expenditure for land as in all of these plans.

Another advantage, inherent in this interim plan, would be a rapid return to efficient operation of our town functions by reconstruction of the Town Hall including expansion to include better facilities for the Fire Department, while the building of a library, which might likewise include a Community Center, could be left to the town planners, giving them ample opportunity and time to resolve the many questions which have to be, and obviously should be considered for such a long time project.

Yours truly,
F. T. Flaherty

April 3, 1950

Mr. H. Lindley Peel
President of Council,
Dear Mr. Peel,

I, along with a number of other Swarthmoreans, were delighted to have an opportunity to have a chance to speak to the Council at the Town Meeting on Wednesday regarding the three different plans proposed for the Borough Hall. I should like to state again some of the things which I said at that meeting.

1. First of all, I would think it would be advisable to have plans developed so that Council could see how the buildings would function and how they would look if: a) The present building were cut down and remodeled to take care of the services which necessarily must be located in the very heart of the town, possibly garages for the Fire Company apparatus and provisions for the police. b) And if the rest of the requirements were included in a new building either located on the Yale Avenue lot which is now owned by the Borough or on some other lot which would permit both present necessary construction and some future additions.

2. Studies of the above accompanied by a corresponding financial study might disclose the scheme recommended in the paragraph above to be more expensive even than scheme B or C. However, it seems to me the plan for the building should be long range, and the matter of the cost should not be the single determining factor. Also, should the major part of the Borough's building requirements be put on a lot which they now own, this would save the cost of \$37,500, of the lot adjoining the present Borough Hall as well as the cost of \$12,000, for grading and blacktopping it.

3. Although I agree with the proponents of the engagement of a City Planner to give direction to the solution of problems other than the construction of the Borough Hall, I believe these studies should be withheld until the about-to-be appointed Delaware County Planning Commission has had an opportunity to study one or two of our major problems which are the traffic on Chester Road and the possibility of a truck bypass route.

The Council is to be congratulated for the town meeting which it arranged and also on the selection of George Ewing as architect for the new Borough Hall.
Very truly yours,
J. Roy Carroll, Jr.

HEARTENING RESPONSE

Mrs. J. V. S. Bishop, Campaign Director of the March of Dimes Campaign in Swarthmore has requested The Swarthmorean to print the following letter.

Dear Mrs. Bishop:

The campaign report and remittance for the 1950 March of Dimes in Delaware county have arrived at National Headquarters.

Reports received from our Campaign Directors across the nation indicate that there has been a heartening response to the March of Dimes in this crucial year. The American public has again given the National Foundation a vote of confidence. March of Dimes funds have been rebuilt for the continuing care of patients, and for the support of research to speed the day when a polio preventive will be found.

On behalf of those who will benefit from March of Dimes funds, let me thank you, and those who worked with you, for your generous cooperation. The 1950 March of Dimes was a real challenge to our thousands of volunteer workers. You have kept faith.

Please accept my personal appreciation and thanks for a job well done.
Sincerely yours,
Basel O'Connor

HEALTH INS. DEBATED AT CLUB

College Teams Draw Tie, Clubwomen Against Measure

A debate on "Compulsory Health Insurance" between members of the debating teams of Swarthmore and St. Joseph's Colleges was held at the Swarthmore Woman's Club April 4 under the auspices of the welfare department. Mrs. Charles E. Fischer, chairman of the department, introduced the speakers: Geoff Hazard and Paul Zimmerman of Swarthmore for the affirmative, and Timothy Robinson and Benedict Casey of St. Joseph's for the negative.

Both teams presented this very controversial subject in a clear and forceful manner. The affirmative side stressed the need for compulsory insurance because only 20 per cent of the people have sufficient income for adequate medical care. The negative team argued that the present system is working well as proved by the fact that life expectancy has increased from a little over 63 to 68 in the past five years.

A vote was taken to determine the opinion of the audience on the subject and the vote was unanimous against compulsory insurance. A vote taken to indicate which team had presented its side in the more convincing manner was almost equally divided.

Dorothy Sidner, a Delaware County nurse who recently received an award for outstanding work in her field, was introduced to the club. The hostesses for the day were Mrs. Walter E. Cleveland, Mrs. Alvan W. Stuart, Mrs. Raymond Hendrickson, and Mrs. J. Warren Paxson.

Mrs. Gordon Lange of Cedar lane spent a few days of last visiting the Yale School of Drama.

Young Musicians To Play

The Delaware County Committee for Young Musicians will hold the first of two spring concerts on Friday, April 14 at 8:30 p. m. at the home of Mr. and Mrs. Samuel Dyer Clyde, Ogden and Swarthmore avenues. Mrs. Paul Banks of Harvard avenue is chairman of the committee.

The artists will be Harriet Serr, pianist, and Rene Bouchard, baritone who specializes in old French and Canadian songs.

Art For Friendship

Mrs. J. Warren Paxson, Mrs. Philip H. Jewett and Mrs. Duane R. Terry attended the luncheon recently held in Philadelphia by the "Art for Friendship" Committee of Delaware County.

Mrs. Frederick Muller of Media told of the exchange of art work between local schools and those of 18 different countries. Mrs. Gerda Schairer of New York, secretary of the "World Friendship among Children" a committee sponsored by the World Church Service, asked for cooperation in celebrating May 18 as World Friendship Day.

Enact "Beauty and the Beast" "Beauty and the Beast" favorite fairy-tale of the ages and road show hit of the season, will be given its first Philadelphia performance by the Mae Desmond Children's Theatre in Town Hall at 2:30 Saturday afternoon, April 15.

Mrs. Henry L. Smith of Swarthmore avenue is visiting her son-in-law and daughter Dr. and Mrs. Donald N. Twaddell of Dundee, N. Y.

Mr. and Mrs. Arthur R. O. Redgrave of Vassar avenue entertained at a dinner bridge at their home Friday evening.

MOTHERS MODEL SMART FASHIONS

Over 200 Entertained At Annual Card Party, Show

The annual fashion show and card party given by the Mother's Club of Swarthmore was presented on Thursday evening, March 30, at the Woman's Clubhouse. Over 200 people enjoyed the evening.

Mrs. H. L. Kalbach was chairman of the fashion show with Mrs. H. C. Campbell, Mrs. Robert Meserve, and Mrs. Bruce D. Smith as co-chairmen. The gowns were outstanding in smartness and good taste.

The show was divided into three scenes: the travellers clothes, shown in the atmosphere of a travel agency; the garden or at home clothes set off in a pleasing garden setting; the evening clothes, lending a distinctive tone to the potted palms arranged in the setting of a roof-garden dance floor. Preceding each scene Howell Zulick sang a solo appropriate to the setting with Mrs. William Shultz at the piano. Mrs. Shultz played the background music for the entire show. The models were Mrs. E. H. Bauer, Mrs. A. R. Crawford, Mrs. Ford L. Johnson, Mrs. C. C. Kline, Mrs. R. T. Pfeifer, Mrs. D. H. Pugh, Mrs. W. B. Pugh, Jr., Mrs. William Ramsey, Mrs. H. L. Shay, Jr., and Mrs. J. V. S. Bishop. Mrs. Bishop modeled for the older woman.

Following the fashion show the door prizes were presented by Mrs. Johan Natvig and her committee. Many thanks are extended at this time to the merchants of Swarthmore and surrounding towns who so generously contributed.

Refreshments of coffee, cake and candy were served by Mrs. Theodore Funnell and her committee. Mrs. Howard Jackson was chairman of the candy committee. The regular meeting of the Mother's club will not be held until April 20.

Died In Hospital

Funeral services for T. E. Hessenbruch of 128 Yale avenue were conducted yesterday afternoon at 2 o'clock at Oliver Bair's, Philadelphia by the Rev. Joseph Bishop of the Swarthmore Presbyterian Church. Private interment followed.

Mr. Hessenbruch who died in Lankenau Hospital Tuesday morning had been ill with a virus infection which evidently affected his heart.

Born in Philadelphia, September 19, 1883 he received ten years of his education in Germany, at a Moravian boarding school and later an engineering polytechnic school there. Returning to America he became a member of the class of 1907 at the University of Pennsylvania.

His first employment was with the Reading Railroad. Transferring to Westinghouse he remained with that company for many years and became an official before leaving to establish a business for himself as manufacturers' representative. He had been retired for the past three years.

During his 31-year residence in Swarthmore Mr. Hessenbruch proved himself an exceptionally civic-minded citizen. Appointed to Borough Council July 2, 1929 to fill a vacancy he was elected to that body in 1931 and again in 1937. In 1932 and 33 he served as chairman of the sewer committee. BAND TO GIVE CONCERT TONITE

Musicians To Present
Varied Program
In Clothier

The Swarthmore High School Band will present its annual concert tonight in Clothier Memorial on the Swarthmore College campus at eight o'clock. An innovation this time will be the vocal numbers in which several of the school singers will be presented with the band. These include a vocal duo consisting of Mary Lecon and Shelby Martin and a male quartet consisting of Ray Denworth, Don Fetherolf, Shelby Martin, and Sam Lewis.

The unusual amount of individual talent in the band this year permits the presentation of several solo numbers. A solo on the clarinet, from the "The Light Cavalry Overture," will be played by Donald Ogram. A special number on the Milton Fussell Memorial Chimes will be played by Jane Allen. Another enjoyable feature will be a trumpet quartet consisting of Larry Franck, Dick McCray, George Dunn, and George Allen. A saxophone solo will be offered by Harold Ogram, Jr.

A feature number will be the presentation of the complete "South Pacific" selections by Rodgers. An unusual innovation will include a flag ballet, consisting of Marian Hunt, Phyllis Klesinger, Barbara Thorbahn, and Julie Lange. There will also be a surprise novelty with John Steinfeld acting as ringmaster.

T. E. HESSENBRUCH

T. HESSENBRUCH SERVICES HELD
Ex-President of Council Died In Hospital Tuesday

Funeral services for T. E. Hessenbruch of 128 Yale avenue were conducted yesterday afternoon at 2 o'clock at Oliver Bair's, Philadelphia by the Rev. Joseph Bishop of the Swarthmore Presbyterian Church. Private interment followed.

Mr. Hessenbruch who died in Lanckenau Hospital Tuesday morning had been ill with a virus infection which evidently affected his heart.

Born in Philadelphia, September 19, 1883 he received ten years of his education in Germany, at a Moravian boarding school, and later an engineering polytechnic school there. Returning to America he became a member of the class of 1907 at the University of Pennsylvania.

His first employment was with the Reading Railroad. Transferring to Westinghouse he remained with that company for many years and became an official before leaving to establish a business for himself as manufacturers' representative. He had been retired for the past three years.

During his 31-year residence in Swarthmore Mr. Hessenbruch proved himself an exceptionally civic-minded citizen. Appointed to Borough Council July 2, 1929 to fill a vacancy he was elected to that body in 1931 and again in 1935. In 1932 and 33 he served as chairman of the sewer committee. From January 1934 until January 1938, when he was elected to a two-year term as president of Council, he was chairman of highways. While on Council he

STUDENTS CLOSE CHARITIES DRIVE

Swarthmore Pupils Raise \$732 For United Campaign

With the close of the collection for the service campaign in the elementary schools, the Swarthmore Schools United Charities Drive for the year is being ended. The plan of having a united drive instead of separate collections from the many different organizations that request charitable contributions from the children was formulated this year by a committee of students and teachers.

The collection campaign was not only a matter of collecting money but was also a service effort. A number of the rooms had bake sales or raised money in other ways. Many pupils did useful jobs in order to earn the money which they contributed. Last fall pupils of the Rutgers avenue elementary school collected many articles of clothing to be sent to the Save-the-Children Federation, while pupils of the College avenue school adopted a family in Poland at the advice of Mrs. John Nason and sent clothing there.

Reports to date show the following sums collected: in high schools grades \$581.53; in the Rutgers avenue elementary school \$85.86; and in the College avenue elementary school \$65.24; or a grand total of \$732.63 for this cause. It is pointed out that this is entirely separate from and not a part of the C. A. R. E. activities which were sponsored by the high school C. A. R. E. committee.

Pupils and teachers want to thank all parents and citizens who assisted them in this effort.

Letter To The Editor

The opinions expressed below are those of the individual writers. All letters to The Swarthmorean must be signed. Pseudonyms may be used if the identity of the writer is known to the Editor. Letters will be published only at the discretion of the Editor.

Swarthmore Borough Council
Gentlemen:-

May I take this opportunity to refer you to Mr. F. T. Flaherty's letter of March 30, a copy of which appears in The Swarthmorean of April 7. I heartily agree with the sentiments expressed therein.

The question which I asked my good friend, George Ewing, at the Town Meeting on March 29, was not answered. Perhaps he did not understand the question which had nothing whatever to do with plans A, B, or C.

I want to know if Council or Mr. Ewing has explored the possibility of removing the wood shingled rear portion of the Borough Hall and extending the entire building back to the property line on Lafayette Avenue? This would add considerably to the size of the building.

I find myself cold to the proposal to purchase the Kistler lot at a cost of \$37,500. If the Borough Hall were reduced to a two-story structure, as nicely pictured by Mr. Ewing, enlarged as I have suggested, and the interior rearranged, there would be ample space for the Fire Department on the Dartmouth avenue level and for the Police Department, the Borough Secretary and the Health Center on the first floor. The second floor would provide ample space for a Council Chamber, Offices, and increased space for the Legion, with plenty of room to spare.

You will note that I have not mentioned the Library. Its needs have been taken care of by the lease of the Bell Telephone Building on Harvard avenue. This will

give time for a survey by a planning group, which would cover present and future problems and needs.

I feel reasonably sure that the Borough Hall could be restored as I have suggested for considerably less than \$100,000 and would be adequate for present and future needs.

Increasing un-employment is certainly an indication and a warning that the orgy of easy money and extravagant spending is drawing to a close. Some day, our present National Administration will awaken to this fact. In the

meantime, our Borough should set an example of economy and realistic thinking and, at the same time, provide ample facilities for all justifiable needs. As Harry Miller expressed it: "If you are not careful, you will tax us all out of town."

I am sending a copy of this letter to The Swarthmorean in the hope that it will be published. It would be interesting to see if Mr. Flaherty and I are supported by other property owners. After all we pay the bill.

Very truly yours,
Alan Wood

HOW TO "CLICK" as a Party-Line Neighbor

1. When you start to make a telephone call and find your party line in use, hang up gently and give the other person a few minutes to finish his call.
2. When, while talking, you realize that your neighbor is waiting to make a call, hang up reasonably soon and free the line.

These little courtesies are returned again and again... with dividends in good telephone service. When party-line neighbors cooperate courteously, everybody benefits!

HEAT YOUR HOUSE WITH GAS

BECAUSE...

GAS HEATING is Economical

Automatic gas heating equipment is usually cheaper to install than other types of automatic heating equipment, and the cost of gas for house heating is comparable with the cost of other fuels.

GAS HEATING is All-Automatic

Fueling is automatic—nothing to order and nothing to be delivered. Heating is automatic; an even temperature is maintained by thermostatic control.

GAS HEATING is Carefree

Gas is clean-burning. With gas heating, there is no annoying noise, no ashes, and no fuel storage worries.

See your plumber or heating contractor for further information on gas house heating.

Campus Collections

Struggle Into Bloom
With the flowering of the Forsythia and early daffodils during the past week, spring arrived in the borough of Swarthmore. The Arthur Hoyt Scott Horticultural Foundation at the college reports that the various campus collections are coming into bloom, although a week or so later than last year because of a chilly March.

Worth seeing during the week of April 14th to 21st should be the weeping cherry trees near Beardsley and the Meeting House, as well as the Higan and Fuji cherries in the Presidents Garden. Also at their peak will be the early magnolias near the library, including the stately magnolia, and a great many daffodils along Cedar lane, in front of Parish Hall, and in Crum Woods south of the trestle. A little later in the month the cherry trees on College avenue, the remainder of the magnolia collection along Chester road, and the mass of flowering peaches in front of Worth Dormitory should reach full bloom.

WIZARD OF OZ TO BE GIVEN HERE

The children of Swarthmore have a treat coming soon! On Saturday afternoon, April 29, at 2:30, the Children's Theatre of The Community Arts Center will present "The Wizard of Oz" in the auditorium of the High School. The play, which is a dramatization in three acts and many scenes of the well-known book by Frank L. Baum, is being directed by Mrs. Stuart Graves and has a cast of 41 children of ages ranging from six to 13 (and one cute little three year old).

The performance was planned, according to Mrs. Graves, to be given by children and for a children's audience and not only the acting but all the other phases of the production are being handled by the juvenile members of this Arts Center group, which has been studying under Mrs. Graves all winter. Some of the painting and construction of the difficult scenery has been done by a committee of boys; older boys will act as crew, pulling the curtain and shifting scenery; boys and girls make up the property committee.

Last week a poster exhibit was held at the Arts Center when 25 to 30 posters, made by the children, were inspected. These posters will appear in store windows in all the surrounding communities to advertise the play. Also on

display were many clever creations in pottery, made by pupils of Mrs. Norman Dutton's Pottery Classes at the Arts Center to illustrate the play. An exhibit of these will soon appear in Dartmouth avenue window of Bookways.

Other Saturday morning children's classes have also contributed in their own way to this big production. Illustrations for the programs were drawn by a pupil in Cyril Gardner's Art Class, Barbara Wilson of Rutledge; Metal cut-out designs for the scenery are being made by Mrs. Wayland Ellsbree's Metalwork class, and puppets, with their juvenile "masters" from Emma Warfield's Puppet classes will be on hand to welcome the audience as it arrives at the High School to see the play.

Assisting Mrs. Graves in the overseeing and teaching in all the various activities connected with "The Wizard of Oz" is a staff of enthusiastic and hard-working grown-ups without whom such a large undertaking would be impossible.

The group includes: Mrs. Edward H. Allen, Mrs. Richard Willis, Mrs. C. D. Schloesser, Robert Gillilan, Mrs. Raymond Gemmill, and Mrs. Palmer Skoglund, all of Swarthmore; Mrs. Frank Hamilton, Mrs. Thomas Donahue, Mr. and Mrs. Sidney Weber, Mrs. Edward Pyle, Miss Sally McFadden, all of Media; Mrs. S. L. Tinsley of Broomall, Howard Pennell of Lima, Mrs. B. F. Covington of Lansdowne, Mrs. Otto Weinreich of Wallingford.

ings and goings earn the spontaneous applause they draw. Her extremities give her trouble but it is her knee which you'll not be able to forget.

Elizabeth H. Swan does an interesting job with Mathilde whose anxiety is almost a speaking member of the cast. In Mrs. Swan's handling of the part the background and cost of Descius Heiss's life is clear.

Jane F. Keating as Margaret Heiss is pretty and appealing and so rightly the light and gem of the Heiss family tree. Nicely cast also is E. Jane McAfee as Margaret's friend Joan Deal whose Cockney background shows in her greater independence. Together they brighten the scene and set a pleasant study in contrast.

Charles Seymour's Dr. Grayson has the relief of normalcy and untapped strength. He is a happy choice for the part. Thomas McFadden's Corder Morris is shrewd and driven by the rigid requirements of an uncertain and unrighteous life. J. William Simmons' Inspector Elliott makes Scotland Yard seem bland, it is true, but never stupid. The audience shares his appreciation of the suit of armor (with a bow to the ladies of the properties. This is a play to prove a property committee's expendability.) Frank Strockbine appears briefly but nicely as Archie's successor.

Final performances are tonight and tomorrow night.

child to the School District office at the Corner of College and Princeton avenues, bringing along vaccination and birth certificates as required papers for the completion of the registration formalities. Dr. John H. Wigton, school medical examiner for Swarthmore, points out that the school law requires a vaccination certificate on the official form HHC-75 as provided by the Pennsylvania Department of Health. These forms are in the possession of the doctors of the community. Dr. Wigton states that vaccination forms other than the official ones cannot be accepted. Mothers are therefore urged to secure the proper form from the physician who performs the successful vaccination. It is hoped that all new kindergarten children will be registered according to the above plan on the date indicated, so that by means of this preliminary health examination any remediable defects may be detected in time to be corrected over the summer.

H.S. BAND IN 12TH ANNUAL CONCERT

Holm Conducts Variety Program In Clothier

Swarthmore High School's Band, led by its talented conductor, Robert M. Holm, distinguished itself in its twelfth annual concert on Friday night. Clothier Memorial, comfortably filled for its first housing of the concert, proved its high-vaulted ceilings a euphonious sounding board for the band's ensemble numbers.

From the presentation of the colors and the singing of the National Anthem to the grand finale when the color guard and drum major corps stood at attention during the playing of the Holm arrangement of Swarthmore High's Alma Mater, the audience was enthusiastic.

The novelty "At the Circus" seemed the most popular but saxophone soloist Harold Ogram, Jr., received a tremendous ovation for the competent musicianship he demonstrated in his playing of Wallace Round's "Scenes That are Brightest". His encore was Nola Jane Allen starred with her playing of the Fuzell Memorial Chimes in "Bells Across the Meadows". The trumpet fantasy "Melody in F" displayed the skill of trumpeters Band Captain Larry Frank, Dick McCray, George Dunn and George Allen. Frank directed the band in its accompaniment for the lighter-toned twirling of Marian Hunt and the Majorettes.

The South Pacific Medley proved popular. Vocalists Mary Lecon and Shelby Martin appeared to advantage with the band in the Rodgers composition "My Heart Stood Still". Gerneseers Arthur McCormack, Don Petherolt, Shelby Martin and Sammy Lewis in the Holm arrangement of Daddy's Little Girl were applauded to an encore even though this number was the 14th on the program.

The Circus was almost a show in itself, with the passing of balloons to the audience, the arrival of clowns Fred Sales, Paul Davis and Don Pierce via car down the center aisle, the parade of the Egyptian girls, the appearance of the always-popular Elmer (this time with clown accessories, and the topnotch acrobatics of Marian Hunt. Atmosphere for the entire event was established by ringmaster John Steinfeld, barker Barry Newstadt, and glamour blonde, Julie Lange.

Ushering was efficiently handled by 18 junior and senior girls under the direction of popular high-school teacher, Russell Snyder.

Moreover, as a writer and editor, she has had much opportunity to observe and record conditions in Japan.

DR. WILLIAMS RECREATION HEAD

Association Reorganizes For Summer Program

New officers and committee chairmen have been chosen for the Swarthmore Recreation Association, in connection with the preparation of plans to carry on the usual program in the schools and on the playgrounds of the borough this summer.

Dr. Ned B. Williams has been elected president of the Association, and William F. Lee is vice-president. John Moxey, as treasurer, Mrs. Howard C. Jackson, secretary, and Mrs. Roger Russell, corresponding secretary, constitute the other officers for the 1950-51 term.

In commenting upon his election to the presidency of the Association Dr. Williams stated that he felt that his predecessor, Mrs. Harry Seymour, had done a very able and very useful job for the community. He also wished to thank Mrs. Avery Blake, a retiring board member, who has devoted many hours throughout her entire period in office as Treasurer and chairman of the Finance Committee.

Since all members of the Board of the Association serve in some capacity on one or more of the Association's committees, the following list of committee members also indicates the composition of the board for the coming year: Finance: Mr. Moxey, Chairman; Mrs. John Pearson, Mrs. Carl W. Moeller. Athletics: Mr. Lee, Chairman; Oliver Rodgers. Summer Club: Mrs. Harry Seymour, Chairman; Mrs. L. E. Peterson, Mrs. Jackson. Pre-School and Nursery: Mrs. Pearson, Chairman; Mrs. Moeller. Property: Mrs. Russell, Chairman; Mrs. R. Lee. Publicity: John Seybold, Chairman; Mr. Rodgers.

The next meeting of the Association's Board, on May 2, will be devoted to the making of detailed plans for the implementation of the summer program. It is contemplated that the activities this year will parallel, in general, those carried on in previous summers, according to Dr. Williams.

YOUNG ACTORS TO PERFORM

Community Arts Children Giving "Wizard Of Oz"

A Tin Woodman, whose suit is really made of tin, a Scarecrow with straw sticking out all over him and patches on his knees, a cowardly lion with a beautiful tail - these are some of the characters which will be actually seen at the Swarthmore High School on Saturday afternoon, April 29 when the Children's Theatre of the Community Arts Center presents its second annual production, "The Wizard of Oz". The scenes and action of the play, which is in three acts, have been written to follow closely the original well-loved book for children by Frank Baum. The audience will be taken to the Land of the Munchkins where everything is blue, to the Emerald City which is all in green, to the yellow Winkie country and the Land of the Quadlings, and even to the Dainty China Country where everything resembles the little china figures one sees on mantelpieces. Pupils of the Pottery class at the Arts Center were inspired by this scene to make the little pottery houses, dogs, and shepherdesses which decorate the window of Bookways on Dartmouth avenue.

The 40 members of the Children's Theatre, ranging in age from six to 13, all have speaking parts in the play, and many Swarthmore children are to be found in prominent parts. The Tin Woodman will be played by Terry Allen of Haverford avenue.

Carolyn Danforth of Hillborn avenue will share the part of Dorothy with Judy Feight of Wallingford. Richard Unruh, Country Club Lane, will play the part of the Cowardly Lion and the Scarecrow will be played by Teddy Graves. It seems that this play has everything, even witches, good and bad. There are two good witches, played by Victoria Willis of Harvard avenue, and Peggy Jenkins of Wallingford. Anne Richter of Springfield takes the part of the Wicked Witch. The other players are: Andy and Susan Allen, Ernest Behr, Evelyn Berrell, Sandra Berilla, Nancy Clement, Barbara Compton, Stephen Dunning, Barry and Dennis Dutton, Alan Gardner, Betty Gemmill, Robert and Addis Gillilan, Jane and Susan Hamill, Gwen Hixson, Molly Huse, Henna Johnston, Marguerite Johnston, Chalmers Kirkbride, John McGovern, Ruth Moitz, Maria Pachor, Ann Pyle, Lynne Rue, Jeanne Schloesser, Richard and Susan Tinsley, Nellie Ann Unruh, Marian Weber, Daniel Weinreich, and Howard Willis.

Besides acting in the play, many of the boys and girls will be busy backstage during the performance in roles of stage manager, curtain puller, scene shifters, sound effects, and property managers. The play is directed by Mrs. Stuart Graves assisted by Mrs. Edward Allen and a staff of grown-ups. Doors will be open at 1:45 on April 29, and the play will begin at 2:30.

DOLL COLLECTION COMING TO CLUB

Mothers and Daughters Invited To Next Meeting

A spring party planned around an exhibit of interesting dolls in the vicinity will feature the Mother-Daughter program at the Woman's Club Tuesday afternoon, April 25.

Anyone who has a treasured doll which would give pleasure to others because of age, period, dress or history, is asked to bring it to the Club on Tuesday morning from 10 until 12:30 when Mrs. C. W. Lukens and Mrs. Paul Hertel will be there to doll-sit and arrange the exhibit.

Children who are guests of club members will be served punch in the lounge from 3 until 3:30, when the dolls will be on exhibit. At 3:30, Mrs. Paul T. Collison, of Wilmington, will show her collection of old mechanical dolls and discuss the intricacies of their make-up.

Mrs. Collison is founder and first president of Delaware Doll and Toy Collection Club. All members have private collections and are interested in philanthropic activities connected with toys. At the Christmas season last year, this organization contributed 2043 redecorated toys and dressed dolls to the Salvation Army.

Mrs. Collison is a native of Norfolk, Va. and a graduate of Randolph Macon. Her interest in dolls began as a child when she began her collection with 100 dolls, an interest which has increased with an ever growing collection. Some of her rare dolls are "The Bisque Cry Baby" made in pre-war Germany, a bicycle mechanical doll, a French Juneau fashion doll.

Hostesses for the day are Mrs. Henry W. Linton, Mrs. George C. Wagner, Mrs. Ellwood M. Rowand Jr. and Mrs. Robert Meserve. Mrs. William E. Hetzel is in charge of punch.

Assisting the club hostesses will be a daughter and grandchild of the club, Louise Johnson, who will wear an authentic dress which was worn by her great, great, great aunt as a young girl in Philadelphia.

Interest and anticipation in the event which is an innovation planned by the club's able program chairman Mrs. Donald Hibbard, is widespread.

Miss Barbara Kent of Merion formerly of Riverview road is spending this week in Cleveland, Ohio.

H.S. Lads Make Fine Volleyball Showing

The boys' volleyball team of Swarthmore High School, under the tutelage of Coach Millard Robinson covered itself with honor and glory at State College last week although it lost to the state champion team from Peabody High School. The occasion was the state finals of the district winners in volleyball.

Swarthmore High's team had won in the district play-off at West Chester two weeks earlier. As district champions they journeyed to State College to meet four other district champions: Peabody High School, Pittsburgh, North York High School, Conansville, High School, and Swiswale High School teams. In the preliminary games Swarthmore showed its mettle by beating Swiswale twice and Conansville. In the latter game it performed the remarkable feat of coming from behind, 14-4, and winning 14-18. The team from Swarthmore this year was acclaimed at State College as the finest team from the east in years.

What made it so remarkable was the fact that a number of the other teams play league schedules, whereas at Swarthmore volleyball is just part of the recreation program, with no interscholastic competition.

In addition to co-captains John Snape and Charles Barr, the team consisted of Marvin Freed, Tom Alden, Charles Acker, Barry Coleman, Bob Bradford, Bill McHenry, Fred Campbell, and Dana Swan. They were accompanied to State College by Coach Robinson.

GEORGE WASHINGTON FISHED HERE

No. 16 in the series "Your Historical Heritage." Watch for the next in an early issue of this paper

It was the summer of 1787. Fifty-five patriotic and earnest men were laboring in Philadelphia to draft our Federal Constitution. Delegate George Washington, of Virginia, taking advantage of a brief and undoubtedly welcome recess in the Convention, left the humid city for a few days' vacation. In his diary for July 30, he wrote that he went "a fishing" near Valley Forge; and on July 31, he noted that he fished again after riding over "the whole Cantonment & Works of the American Army in the Winter of 1777-78."

The stream where Washington fished and relaxed that summer still bears the name of Trout Run. Smaller and less bountiful than the neighboring Pickering Creek, it is little known today.

The Pickering, however, is widely known; for the healthful advantages of its sparkling, clear-running water have been made available to thousands. Tapped by Philadelphia Suburban Water Company, this stream—flowing through the same countryside where Washington fished—is one of the chief sources supplying you Pure Springfield Water at its traditional best!

Nurses Are Grateful

The board of directors of the Community Health Society of Central Delaware County wishes to express its sincere appreciation and grateful thanks for the numerous offers of assistance during the recent emergency. These fine offers of aid have poured in from all sides bringing a glow of friendship and the knowledge of the sincere interest of the community we serve.

Through the tireless efforts of many interested individuals we are now located at 100 Park avenue for the duration of the present housing emergency.

May we take this opportunity to publicly thank the many people who have so generously given of their time and effort to help us find quarters.

We cannot express in words our appreciation to Mr. Dante Celia for the use of his apartment. We are indeed grateful for his generosity and patience.

Eleanor Schmidt, President

SIGHTS HIGH

TO THE EDITOR:

I have been looking again at a design for our townhall as depicted in the Swarthmorean of March 31, and the more I look at it, the worse it appears to be. I don't see why the designer did not stretch a few clothes-lines running over to the Co-Op and hang a few aprons, trousers, diapers and diapers on them. It would then have been a perfect sketch of Mrs. Flammigan's apartment overlooking grub-stake alley.

We, the citizens of Swarthmore, have already made one big mistake and it looks now as if we might make another. Our first mistake was in pouring tons of Springfield water on the burning townhall at a time when the reservoir was dangerously low. It would have been much more sensible if the visiting firemen had each brought a filder and a barrel of good old Delaware County cider, slightly fermented, enough to kill the taste of worms and rotten apples, and set up house-keeping on the station plaza. The populace of Swarthmore could have then indulged in old fashioned square dances by the light of the burning town-hall, had a good time, instead of lamenting as they did the loss of an obsolescent structure, and returned home in a happy state of mind after placing a laurel wreath on the artistic arsonist who had the courage to do what should have been done several years ago.

Swarthmore is a college town, a growing town, full of fine folk and it should have a town-hall that would be commensurate with its intelligence and love of beauty. Just because the town-hall blew its top is no reason why we citizens should lose all sense of architectural values and foist some bastard monstrosity on our children and grandchildren. The Clothier Memorial Building and the Arthur Scott Foundation have given us glimpses of beauty that uplift the soul.

I say that Swarthmore should tear down what remains of the town-hall and build something in which we will have pride, something that will inspire us all to be better citizens in a democracy.

STUDENTS RAISE \$700, NEED \$300

Minstrel Show Almost Clears Enough For CARE Project

The Minstrel Variety Show sponsored in Clothier Memorial on March 31 by Swarthmore High School's C.A.R.E. committee for the adopted town of Stade, Germany raised the sum of \$660. With an additional \$140 sent in voluntary contributions the treasury now stands at \$700, or \$300 short of the amount needed to bring a Stade boy or girl to this country for a year's schooling. In setting \$1000 as the cost of bringing the German youngster here, or double that amount for a pair of students, the committee is assuming that some charitably inclined local family will house and bear the brunt of expenses for the student while in this country.

Warren Gold who is chairman of the executive committee of some 20 students elected from each of the high school social studies classes, announces plans are being formulated in the hope of raising the sum still needed.

Many members of the school body and faculty contributed to the well-rounded benefit performance given on March 31.

Faculty sponsors were Henry Hoffman, Millard Robinson, Frederic Yocum. Interlocutor was Ray Denworth, with end men as follows: Art McCormick, Barry Coleman, Richard Terry, Sandy Ford, Charles Barr, Walt Dickinson.

Appearing on the show bill were: the band, under the direction of Robert Holm; drum major and majorettes; flag twirlers; senior girls in line dance (directed by Virginia Allen); junior boys in barefooted novelty dance coached by Mary Ann Dickinson; senior class square dancers; junior high square dancers; Junior high dancers in Morris Dance and Irish Lark; Glee Club members in several feature numbers; Junior High Girls Glee Club singing various cotton-picking songs and High School Chorus (both directed by Alice Blodgett); high school boy tumblers coached by Millard Robinson; Don Smith who performed on the Trampolines; Frank Monty clown and string-band performer with Ann Allwater. Tumbling act honors were shared with a team from West Chester State Teachers College.

SCHOOL TAX RESET AT 35 MILL

Budget For 1950-51 Also Adopted By Board Wednesday

At Wednesday evening's session the Swarthmore School Board adopted a budget totaling \$331,600 for the school year 1950-51, and maintained the tax rate at its present 35 mills. The new budget is \$11,000 higher than last year's, the income increase being from expected higher tuition returns, additional assessments on new houses, and a larger balance carried over from this year. The amount is allotted to cover increased salaries of teachers as mandated by the new state law, and various increases in operational cost rates. Of the entire budget figure \$212,000 is for instructional purposes.

The board authorized the organization of the usual summer school classes from June 19 to July 28 under the direction of G. Baker Thompson. Mr. Thompson's resignation this summer as high school principal, a position he has held since 1941, was accepted with regret. The board wished him much success in his new appointment as assistant county superintendent.

Mrs. Raymond Denworth, Car-

roll Streeter and Supervising principal Frank R. Morey were named as a committee to study possible reorganization of local school administration and submit an early report. The committee, which was authorized to call upon a professional consultant if necessary, will consider in addition to filling the high school principalship vacancy, the unfilled elementary principalship which has existed since the marriage of Theresa Young two years ago.

MARKLEY NAMED V.P. BY SUN OIL

Jones, Bates Re-elected Directors Last Week

Frank R. Markley of Guernsey road, former Swarthmore Borough Councilman, was elected a vice-president in charge of marketing at the annual meeting of directors and stockholders of the Sun Oil Company in Philadelphia on April 18.

Along with two other Swarthmoreans Donald P. Jones of Swarthmore avenue and Dr. John R. Bates of North Chester road, Mr. Markley who has been general sales manager of the company, was re-elected to the Board of directors. Mr. Jones was also re-elected comptroller.

The board also elected Markley a member of the executive committee to succeed Samuel B. Eckert who retires after 42 years with Sun.

Born in Warfordsburg, Pa. in 1891 Markley was associated with Westinghouse's power equipment sales department and during World War I he served with the AEF remaining in the Army until 1919 when he was honorably discharged as a captain in the Engineers Reserve Corps.

In 1920 he became a lubrication engineer with the Sun Oil Company's New York district. Thirteen years later he had advanced to the management of the foreign sales department, following positions as New York manager of industrial oil sales and special representative in the general sales department in Philadelphia.

As foreign sales manager he directed the company's marketing activities through the world at a time when its foreign sales were at a pre-war peak. This post-necessitated his spending much time in Europe.

In 1937 he was recalled to organize an industrial sales department which he headed until his appointment as general sales manager in January 1946.

While on Borough Council Markley served as chairman of public safety.

Mrs. Markley is the former Wilma Baker of Chambersburg. They have one daughter, Adele, who is now Mrs. Harry Grayson Smith of Lewisburg.

JR'S ELECT PRESIDENT

At a recent meeting of the Junior Woman's Club the following officers were elected for a one year term: President, Nancy Hoot; Vice-President, Mrs. Daniel Johnson; Treasurer, Jean Blakiston; Recording Secretary, Anne Cochran; Corresponding Secretary, Mrs. Newell West.

Mrs. Auld, representative from Abbotts Dairies promises to make a hit on Tuesday, May 2, when she comes with a film, a short travelogue, topped with plenty of ice cream for all.

A Community Reminder

Cub Scouts will visit the homes of Swarthmore on Thursday, May 4 to gather any clothing or other wearing apparel which residents might wish to give to the clothing drive for Munich, Germany. The collection is sponsored by Rotary in cooperation with the American Friends Service.

In order to speed the collection and eliminate the need for answering doorbells, it has been suggested that the clothing be put on the front porch.

By these contributions, a child or an adult may better meet the challenge for survival.

HORACE P. FRY DIED SUNDAY

Retired U. Of P. Professor Succumbs After Short Illness

CLUB SET FOR MUSIC PROGRAM

Women To Hear Herbert Melodies In Spring Festival

Mrs. Robert M. West, chairman of music will present a Spring Festival Chorus Program "Memories and Melodies of Victor Herbert" at the Woman's Club next Tuesday at 2 p. m.

Mrs. Eunice Story Eaton will be the narrator and W. L. Eckard, bass-baritone soloist of Philadelphia, will sing. There will be a ballet in costume by the pupils of Marie Louise Forsythe.

Hostesses for the day are Mrs. George P. Warren, Mrs. Elliott Richardson, Mrs. Ellwood H. Garrett and Mrs. W. F. C. Swann. Successful Bridge

The Donation Dessert Bridge held at the home of Mrs. Birney K. Morse last Thursday April 20 for International House under the sponsorship of the Youth Conservation Committee, Mrs. George B. Thom, chairman, was very successful.

Club members and their friends contributed \$75 to the work of International House.

During the afternoon, Mrs. Gordon Lang whose husband is on the board of directors gave a talk on the work, and gave a clear and informative picture of what is done there for the foreign students in the vicinity.

The Executive Board will meet in the lounge of the Clubhouse on Monday morning May 1 at 9:30. The education department Mrs. Peter Told, chairman will meet in the lounge on Friday May 6 at 10 a. m. for the final packing of "Books for Peace". So far, 120 books have been sent to Frankfurt, Germany where they have been distributed by the American Army in a democratization program. The General Federation of Women's Clubs is backing this program.

The Club committee and its friends have made a notable contribution. It is expected the final packing will bring the books in the cause of democracy to 200 or more.

Salvation Army Reports

The Salvation Army Drive has collected \$1,998, more than half of the \$3,400 contributed by Swarthmoreans to the drive last year.

Mrs. W. W. Turner, chairman of the campaign, and Mrs. George Bland, co-chairman, are happy with the people's response. "Due to its opening in Holy Week, the drive was a little slow in gaining momentum," Mrs. Turner said. "But workers will finish the job in the next week."

Swarthmore's contribution so far tops that of other towns in the Baltimore Pike area. Delaware County as a unit is heading for a \$53,000 goal.

P.O. to Close Earlier

Beginning Monday, May 1, the Swarthmore Post Office will close one-half hour earlier on week-days. It will open as usual at 8 a. m. Monday through Friday, and close at noon as usual on Saturday. This applies to sale of stamps and parcel post service.

The former hours of 9 a. m. to 5 p. m. during the week and 9 to 12 on Saturday still apply for mail orders, postal savings, bonds, and registered mail.

Elected President

Frank R. Morey, Supervising principal of the Swarthmore schools, was elected President of the Eastern Division of the Pennsylvania School Administrators at a meeting held last Friday at the University of Pennsylvania.

The organization, which consists of all the supervising principals and superintendents of Delaware, Bucks, Chester and Montgomery counties, meets four to five times each year for the purpose of discussing problems pertaining to the management of the public schools.

Vice president of the organization last year, Mr. Morey will serve for the academic year 1950-51.

SERVICES HELD FOR MRS. RAMSEY

Borough Resident 47 Years Died Tues. In 93rd Year

Funeral services were held Thursday afternoon at 2 in the Swarthmore Presbyterian Church for Mrs. Emma Alexander Ramsey whose death occurred Tuesday afternoon at her home 500 North Chester road after two weeks' illness. The Rev. Joseph P. Bishop conducted the services.

The widow of the late J. Everett Ramsey, she was born in New Bedford, Pa., on March 3, 1858. She graduated from Westminster College in 1878. Her marriage to Mr. Ramsey took place in New Wilmington in June, 1888. In 1903 she came to Swarthmore with her husband from Oxford, Pa., to establish their home in the house where she died after 47 years of residence.

An active member of the Swarthmore Presbyterian Church, she taught the Women's Bible Class for more than 25 years. She was the president of the Chester Presbytery for over 25 years and was a life member of the National Home Mission and the Foreign Missionary Society of the Presbyterian Church. She was active in Woman's Club and civic affairs.

Mrs. Ramsey is survived by three daughters: Mrs. Robert T. Bassett of Swarthmore, Mrs. Dellev W. Brook of Baltimore, and Mrs. Crawford L. Twaddell of Westtown and by her sister Miss Nettie L. Alexander of West Chester.

Interment was in the Oxford Cemetery, Oxford.

New Headquarters

The headquarters of the Nursing Service of the Community Health Society of Central Delaware County are now located for the interim until the reconstruction of Borough Hall at 100 Park Avenue in the second floor rear apartment. The telephone number is unchanged SW. 6-3498.

Pinafore Opens Tonight

The deathless Victorian satire of Gilbert and Sullivan takes yet another whirl upon the boards tonight and tomorrow night at Swarthmore College students, under the supervision of Wendell Williams, musical director, and Professor Henry Gleitman, dramatic director, present "H. M. S. Pinafore".

The time is 8:30 p.m., the place is Clothier Memorial, and the forces of Swarthmore's own D'Oyly Carte comprise an orchestra of 20 pieces, a chorus of about 50 voices, plus nine principals.

DOLLS REJUVENATE CLUB

Capacity Audience Views Exhibit With Love

The Woman's Club of Swarthmore became a heaven for little girls, last Tuesday afternoon. They arrived with their mothers - and their grandmothers - to attend a Mother and Daughter Spring Party. The club, they found, was jam-packed with dolls! There were literally hundreds of them - dolls of today and dolls of a long ago yesterday. Dolls of various kinds and sizes; some were made of wood, others of corn stalks, nuts, brass, papier mache, tin, wax, bisque, china and celluloid.

Many of them were brought by club members and arranged by Mrs. C. W. Lukens, who was in charge of this part of the exhibit and Mrs. Paul R. Hertel. The costumes were as varied as the materials. There was a snub-nosed (Continued on page eight)

VETERANS' POPPY BLOOMS IN MAY

Borough Legion Auxiliary Acts For Disabled Veterans

During the month of May Swarthmore will be asked to purchase poppies and wear them for the disabled veterans who made them.

Mrs. Oscar J. Gilreest of Vassar avenue, chaplain of the Local American Legion Auxiliary, reminds boroughites that donations are divided between maintenance, veteran and unit. She continues:

"This work of making poppies provides a satisfaction to the veteran that there is some work he can do, a beneficial labor in his world of disability."

"The Legion Auxiliary of the boroughs, counties and state is endeavoring to make the sick boys of our wars more comfortable and therefore happier. Last year a Catholic Chapel was built by the Auxiliary at Perry Point, Md. for those men of the Catholic faith. Once a month units take a party to Coatesville; new furnishings were placed in the Erie Salior and Soldiers Home; the materials for painting, orchestra, greenhouse and other branches of recreation at the Coatesville Hospital are given by the Auxiliary each year."

"During this last stretch of May and June a great effort is being made to raise, by collection of coupons, the remaining \$5000 needed for the Coatesville grandstand."

"Leaders of the various veterans' organizations met with the Congressional Inspection Committee at Valley Forge Hospital and implored them not to close its doors in June, informing them of the long waiting list of mental cases, with no place for them in any hospital. The cruel burning of Belle-Vista Home might not have occurred if a mental case had not been placed there, no situation for such a patient who had firebug tendencies. Even empty cells of jail house sons of these cases!"

"The Auxiliary ended its work last year by spending \$15,000 for leather wallets, pencils, note books, pipes, candy and such for the disabled veterans' Christmas. This community with its responsive heart to worthwhile projects will surely listen, and give to the Poppy Appeal."

HOW TO BE AN ACE on Party-Line Telephones

You'll rate tops with your party-line neighbors if you'll follow these two brief suggestions for party-line courtesy:

1. When you start to make a call and find the line in use, hang up gently and give the other person a few minutes to finish his call.
2. When, while talking, you realize that your neighbor is waiting to make a call, hang up in a few minutes and free the line.

Little courtesies, yes... but they pay big returns in better service for everyone on the line.

ALUMNAE MEET AT COLLEGE

Women To Revisit College Campus Tomorrow

Somerville Day will be celebrated tomorrow at Swarthmore College, and all alumnae are invited to revisit the campus and enjoy a specially arranged program.

The day begins with a performance of the popular swimming ballet, "Come to the Circus," first presented April 21 and 22. Members of the women's swimming team will stage a command performance of their successful production at Hall Gym at noon.

Following the formation swimming, luncheon will be served at the college Dining Room in Parish. Nancy Heffernan, chairman of the Student Somerville Committee, will preside, and Dean Susan Cobbs will be the speaker. At 3 p. m. a business meeting will be held in the Meeting House, presided over by Martha Williams Bittle, vice-president of the Alumni Association of Swarthmore. President John W. Nason and Willis Weatherford, assistant professor of economics, will speak.

A tea at 4 p. m. in Whittier House will follow the business meeting and conclude the program.

May Blossoms Due

The coming week will bring a round of blooms on the college campus. Scott Foundation director John C. Wister announces that visitors may expect to find the late cherries along Cedar Lane blossoming, with lilacs and crab apples following shortly. The daffodil season comes to a climax as the later varieties reach their height.

The week coming to a close has seen a colorful blooming, and traces of it are still to be found. The Sargent and Yoshino cherries near the College Avenue entrance are just passing full bloom, as are most of the daffodil varieties, the flowering peaches near Worth Hall, and the weeping cherries at Bardsley Hall and the Meeting House.

Frost and rain shortened the magnolia season, but the later varieties in the collection on Chester road near the College Library are still worth viewing.

Mr. Wister requests that visitors to the campus remember the campus blossoms are provided for all, and refrain from picking flowers.

Dr. and Mrs. Warren F. Faragher of the Swarthmore Apartments, and Mr. and Mrs. William A. Faragher and daughter Judy of Kirklyn spent the week-end in Washington, D.C., where they attended the wedding of Miss Thelma Stille and Mr. Robert Vance Faragher.

"The Safety Record of Diesels is Outstandingly Good..."

FEDERAL FACT FINDING BOARD REPORT
Read these excerpts from official reports of Presidential Fact Finding Board:

"The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results."

"The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation..."

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good..."

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The real reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding." The railroads have no intention of yielding to these wasteful make-work demands.

LEADERS of the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that "there presently exists no need for an additional fireman... upon either the ground of safety or that of efficiency and economy of operation."

Safety Record of Diesels is
Outstandingly Good

Although the railroads accepted the Board findings, the union leaders have brazenly rejected them. They represent that an

Announcement has just been made by the General Electric Company that Harry E. Oppenlander of Morton, a teacher of science in Swarthmore High School, has been appointed a General Electric Science Fellow in Physics for the summer of 1950.

Thirty awards have been made for the entire United States. It is a great tribute, therefore, to Mr. Oppenlander to have been selected as one of these recipients. The fellowship session will be held at Union College in Schenectady.

The fellowship covers travel, tuition, books, living, and recreation. Mr. Oppenlander had the choice of any field of science, but chose physics because he wanted to bring back to his classes in Swarthmore High School the new developments in this rapidly growing field.

Spring Choral Concert Scheduled For May 12

Alice Blodgett, director of choral and vocal music in the Swarthmore Schools, has announced that the spring choral concert will be held on Friday evening, May 12, in Clothier Memorial.

The various choral groups of the school have been working hard on what promises to be a splendid program. This concert is not only an opportunity to present a fine quality of music by young voices, but is also a benefit concert for the scholarship fund of the school.

To further the scholarship aspect, the mothers of the senior class are now selling tickets. Their wholehearted support and the enthusiastic cooperation by the many people of the community have made the annual choral concert a musical event of real importance in the community.

One of the most interesting collections was shown by Elsie Walker Butterworth, research student, lecturer and author, whose dolls presented a study in Mediaeval dress. Their costumes, elegantly made by Miss Butterworth herself, were taken from portraits and are exact copies of their glowing silks and velvets, their pearls and real lace.

Gathered by Mrs. F. C. Wolters was another unique group of dolls patterned after early movie stars. These were the work of veterans of the First World War and had beautifully modeled wax heads and dresses of crepe paper. There was also a table of Mrs. Walter Keighton's fascinating foreign dolls, with examples from almost every country in the world, including North Africa and Arabia. Little Louise Johnson, a blonde, pink-cheeked "live doll," was charming in the dress and bonnet of her great-great-great aunt, Miss Ella Keen.

Mrs. Paul T. Collison, speaker of the day, is founder and first president of the Delaware Doll and Toy Collectors' Club. Mrs. Collison brought with her the rarest dolls

from her collection of three hundred. Among them were: a bicycle doll, bearing the patent date, 1870; a French Jumeau fashion doll, a mechanical xylophone clown doll which plays "Listen to the Mocking Bird."

Mrs. Collison, who began collecting dolls as a child, is an authority on the subject and spoke most interestingly of their history. Among the modern dolls owned by Mrs. Collison were a leprechaun from Finian's Rainbow, Little Lulu, Superman and Charlie McCarthy.

Preceding the regular meeting, Mrs. W. C. Morris, Chairman of Antiques, gave a talk on "Pottery, the Oldest Art of Man."

One of the most interesting collections was shown by Elsie Walker Butterworth, research student, lecturer and author, whose dolls presented a study in Mediaeval dress. Their costumes, elegantly made by Miss Butterworth herself, were taken from portraits and are exact copies of their glowing silks and velvets, their pearls and real lace.

Gathered by Mrs. F. C. Wolters was another unique group of dolls patterned after early movie stars. These were the work of veterans of the First World War and had beautifully modeled wax heads and dresses of crepe paper. There was also a table of Mrs. Walter Keighton's fascinating foreign dolls, with examples from almost every country in the world, including North Africa and Arabia.

Little Louise Johnson, a blonde, pink-cheeked "live doll," was charming in the dress and bonnet of her great-great-great aunt, Miss Ella Keen.

Mrs. Paul T. Collison, speaker of the day, is founder and first president of the Delaware Doll and Toy Collectors' Club. Mrs. Collison brought with her the rarest dolls

from her collection of three hundred. Among them were: a bicycle doll, bearing the patent date, 1870; a French Jumeau fashion doll, a mechanical xylophone clown doll which plays "Listen to the Mocking Bird."

Mrs. Collison, who began collecting dolls as a child, is an authority on the subject and spoke most interestingly of their history. Among the modern dolls owned by Mrs. Collison were a leprechaun from Finian's Rainbow, Little Lulu, Superman and Charlie McCarthy.

Preceding the regular meeting, Mrs. W. C. Morris, Chairman of Antiques, gave a talk on "Pottery, the Oldest Art of Man."

No Mothers Allowed

Dear [Illustration of a woman writing] and [Illustration of two children]

Surely no one needs that MOTHER'S DAY is here ... You don't forget the one who saves us all - big and little from trying scenes like this [Illustration of a child crying] or a hundred other wearing experiences that mothers do for us. But we WOULD like to remind you that the date is little over two weeks away. Mother wouldn't be SURPRISED at anything you do for her, but she would be pleased if you came to visit us and returned with gifts selected from ...
